

As a business owner you can retire on tax free income, but you must make the elections during your working years!

Our unique ILIPP is a financial design that allows business owners to:

- *Earn stock market based returns*
- *Be protected from all market losses*
- *Compound earnings tax free*
- *Receive retirement cash tax free*

All aspects of the ILIPP are specifically authorized by the Internal Revenue Code. There have been no tax challenges to our ILIPP design.

Call us at xxx.xxx for additional information or visit our website www.youragency.com

Complete technical information on all aspects of the ILIPP is available for inspection by your tax attorney or accountant.
