FOR IMMEDIATE RELEASE

Grand Opening - CE Center for Accountants

Your Town – Current Date – Agency Name is pleased to announce the Tax Free Retirement Income for business owners.

We have recently acquired the marketing rights to the innovative ILIPP design that provides business owners with:

**Stock market based interest returns
Tax Free Accumulations
Tax Free Retirement Distributions**

This unique design is so dynamic, that expected returns rival those of a qualified plan. However, unlike a qualified plan, the ILIPP has:

**NO IRS limits
NO IRS special filings
NO Requirements to include other employees**

We will be conducting Web based seminars to explain this safe harbor concept and we also have CE credit courses available on-line for your convenience.
